## TURKEY PREPARES FOR WAR.

Paris, June 27.—Arrivals here today direct from Constantinople declared there is no question Turkey is pushing war preparations at top speed, of course against Greece.

Asiatic levies, they said, were arriving in large numbers, and there is a steady movement of troops toward the new Greco-Turkish border, established as a result of the recent Balkan struggle. It was asserted they would go into the campaign, should one ensue, far better equipped than when they met the Balkan allies.

Not much faith was placed in the conciliatory answer the sultan was said to have returned to complaints from Athens concerning the treatment of Greeks in Turkey. The prediction was made that there would be hostilities in the near future unless the powers prevented them.

## Children Cry FOR FLETCHER'S CASTORIA

In another way of looking at it, a moving picture film of the wedding would be just as good as a duly sealed marriage certificate.

Don't Lose Sleep Coughing at Night.  
Take Foley's Honey and Tar Compound. The very first dose surprises you. It glides down your throat and spreads a healing, soothing coating over the inflamed tickling surface. That's immediate relief. It loosens up the tightness in your chest, stuffs wheezy breathing, eases distressing, racking, tearing coughs, soothing the irritated, inflamed bronchial tubes and air passages. Children love it. It is mildly laxative—as a cough medicine should be, and does not upset or distress the most sensitive stomach. Refuse any substitute. Contains no opiates. J. C. Perry, druggist.

The employers yesterday offered an exhibit of clothing to show that it actually costs a telephone girl but \$75 a year to clothe herself. Members of the commission disregarded the exhibit and proceeded in the usual manner to arrive at a determination of a minimum wage.
